

Frankenstein Live!

Sponsorship Benefits

Three of Rockland County's non-profit arts organizations are coming together this fall to present **the 1931 horror classic FRANKENSTEIN**, accompanied by a **live orchestra performing a new score**. Contemporary classical composer and conductor Michael Shapiro has written music to accompany the entire film and he will be conducting a 15-piece ensemble of the *The Chappaqua Orchestra* one night only ~ **Friday, October 28th at 8:00 p.m.** in the Nyack High School Auditorium.

Each of the arts organizations is charged with a community-minded mission. [Arts Angels](#) supports the visual, music and dramatic arts for students in Nyack Public Schools; proceeds from fund-raising activities provide financial support to ensure the vitality of arts education and programming in the schools. [ArtsRock](#) provides increased access to professional arts and multi-cultural programs for an underserved, diverse audience in and around Rockland County. [Rivertown Film](#) is devoted to celebrating, exploring and promoting the art of the motion picture through film screenings and educational programs, enhancing audience appreciation of the motion picture, encouraging support for filmmakers and the local film community, and helping to build the cinematic arts audience of the future.
